

SHAHEED BENAZIR BHUTTO WOMEN UNIVERSITY PESHAWAR

(FORMERLY NAMED AS FRONTIER WOMEN UNIVERSITY PESHAWAR)

Near Qila Bala Hisar, Peshawar
Phone.No: 091-9239297

ADMISSION NOTICE (MASTERS PROGRAMME) FALL SEMESTER 2011-12

The first ever female university was established in accordance with the Frontier Women University Act 2004, passed by the Provincial Assembly and assented by the Governor Khyber Pakhtunkhwa on 7th February, 2005. However, according to the revised Act (Khyber Pakhtunkhwa Act No. XI 2010), passed by the provincial assembly KPK on September 6, 2010, the University was renamed as Shaheed Benazir Bhutto Women University (SBBWU). The University is destined to be a leading public sector Women University to impart education to the female population of this region in order to develop scientific, socio cultural, economic and political stability, through learner centered teaching and research, while strengthening the identity of the students at national and international level.

Shaheed Benazir Bhutto Women University has been functioning since 2005. The University provides an environment which enables students to develop their academic, moral, physical, professional and spiritual potential. Envisaged initially as a caterer to the education of female population of the Province, the University has earned much more than it had initially conceived.

The primary objective of Shaheed Benazir Bhutto Women University Peshawar is to accomplish the assigned mission of providing quality education to the female students in accordance with the latest syllabi and modern trends so that it can emerge as the leading public sector female university of the country. Currently, the

University is offering admissions in 21 disciplines including Masters, Bachelors and various Certificate / Diploma Programs with updated Curricula set by HEC which integrates knowledge with hands-on laboratory experience, having special emphasis on computer assisted studies. Departmental programs are aimed at training students so that they can become productive and contributing members of their professions and future leaders of the society, human resource industry and the academic world.

Message from the Vice Chancellor

It is, indeed, a privilege for me to be the founder Vice Chancellor of the First Women University in Khyber Pakhtunkhwa. The University came into being on 11 February 2005- the date; the Frontier Women University act 2004 was formally published by the provincial Government.

The sole objective of establishing the University was to provide education for women in an exclusive environment in order to groom their skills, and develop their personalities, confidence, ethical and moral standards in accordance with the norms and values of the society. Nevertheless, these developments cannot be achieved spontaneously since these demand hard work, efficiency, discipline and respect for others both at personal and community level.

It has been my prime aim, to equip our younger generation with object-oriented knowledge, skills and dispositions essential for facing the challenges of the society. The Mission of the University is to:

- 1. Prepare dynamic women leadership in all spheres of life.*
- 2. Educate our students to think analytically, work creatively and communicate effectively.*
- 3. Foster moral and ethical values among the students.*
- 4. Prepare quality teachers, well equipped with pedagogical skills, according to the needs and demands of the society.*
- 5. Make the university a true seat of higher learning, research and innovation.*
- 6. Turn the University as a second home for the students, teachers and staff.*

In order to become the torch bearers of social change and enlightenment, our students will have to fight the social evils which are corroding the very fabric of our society. To achieve this power, the students and teachers will have to emulate the jist of the teachings of the Benefactor rather than merely observing rituals and traditions.

We are eagerly looking forward to shift to our new state of the art campus at Larama, Charsadda Road, which will provide a more conducive environment for academic and co curricular activities focusing on leadership qualities. Since women are assuming leadership responsibilities in growing number of fields, the University would be extending yeoman's service to the nation in general and population of KPK in particular in preparing the women for this noble responsibility.

In the end, I pray to Allah, the Almighty, to give us strength and farsightedness to work with zeal, devotion and commitment for turning this university into a world class university-a dream for us all to cherish! God Bless!

*Prof. Dr. Syeda Farhana Jahangir
Vice Chancellor*
